EDUCATION

Misr International University | Bachelor of Science in Computer Science Sep 2023 – Jun 2027

EXPERIENCE

Software Development Intern • TAQA Arabia Jul 2025 – Aug 2025

- Contributed to developing the **In Gaz API Mobile Application** using Flutter frontend and C# .NET Core Web API backend.
- Engineered secure RESTful endpoints, MVC architecture, role-based access control, and Swagger testing documentation.

IT Department Intern • Cairo Higher Institute Aug 2025 – Sep 2025

- Administered institutional user email accounts and custom domain security policies.
- Updated and maintained front-end web portal assets on the official institute website via WordPress.

IT Department Intern • TAQA Arabia Aug 2024 – Sep 2024

- Managed software configurations, user account access control, and enterprise IT infrastructure support.

PROJECTS

Gulf Limousine Luxury Booking App | Flutter, Dart, Firebase, REST API Jul 2026

- Cross-platform luxury limousine reservation & fleet tracking mobile app featuring real-time driver allocation and fare estimation.

Essmat Plastic Factory Management System | C#, .NET, SQL Server, Entity Framework Sep 2026

- Enterprise inventory and production system optimizing raw material tracking, order processing, and factory billing.

Food Ordering Management System | Spring Boot, React, Tailwind CSS, MongoDB May 2026

- Full-stack ordering system with RESTful APIs, JWT authentication, cart state, order tracking, and Admin profit analytics.

In Gaz API Mobile & REST System | Flutter, C# .NET Core Web API, Swagger Jul 2025

- Flutter client integrated with C# ASP.NET Core API backend, role authentication, CRUD endpoints, and Swagger docs.

Employee Attendance & Leave Platform | PHP, MySQL, HTML/CSS Dec 2025

- Web platform for automated attendance check-ins, leave request processing, and HR relational database management.

Dr. Naglaa Academic Biography Portal | HTML5, CSS3, JavaScript Sep 2026

- Academic portfolio & publication showcase website featuring CV integration and research paper archives.

TECHNICAL SKILLS

Languages: Java, C#, C++, C, Python, JavaScript, PHP, Dart, SQL, HTML5, CSS3

Frameworks & Libraries: Spring Boot, React, Flutter, Express.js, Node.js, .NET Core Web API, JavaFX, Tailwind CSS

Databases & Cloud: PostgreSQL, MySQL, MongoDB, Firebase, SQL Server

Tools & Practices: Git, GitHub, Docker, VS Code, Android Studio, Postman, Swagger, OOP, REST APIs

Languages & Soft Skills: Arabic (Native), English (Fluent) | Problem Solving, Teamwork, Rapid Upskilling

ACTIVITIES & CERTIFICATIONS

ACPC Club (Arab Competitive Programming Contest) • Active Member 2023 – Present

IEEE Student Branch • Active Member 2023 – Present

TAQA Arabia Software Engineering Internship Certificate • TAQA Arabia Aug 2025

Cisco JavaScript Essentials 1 & 2 | Cisco C Essentials 1 • Cisco OpenEDG Academy Jul 2025
